

PayPal Security Center — Urgent Account Review

Email-style payment security notice

From: PayPal Security Center **alerts@paypal-accounts-secure.net** Sent: April 7, 2026 8:12 AM

We detected a limitation on your account involving a pending transfer request. To prevent permanent balance restriction, verify your account immediately and confirm the destination holding account.

Action required within **2 hours**: click **www.paypal-accounts-secure.net/restore** and transfer your available balance to the verified holding account shown after sign-in.

Do not contact PayPal support directly until the review is completed, or the security hold may be extended.
